WORKSHOP REPORT 2025

Career Counselling Session by STHM – February 28, 2025

A career counselling session was conducted by the State Institute of Hotel Management (STHM), focusing on career opportunities in the field of hospitality management. The session aimed to guide students in understanding the scope and potential of careers within the hospitality industry.

The resource persons provided detailed insights into various aspects of hospitality, including hotel operations, customer service, food and beverage management, and tourism. They also discussed the qualifications, skills, and training required to pursue a successful career in this field.

The session helped students explore different career pathways within the hospitality sector and understand the importance of professionalism, communication skills, and service-oriented attitude. It also encouraged students to consider hospitality management as a promising and dynamic career option.

Photography Workshop by J. Adam Huggins – April 2, 2025

An advanced photography workshop was conducted by J. Adam Huggins, an internationally acclaimed photographer known for his work with leading publications such as The New York Times, ELLE Magazine, and Der Spiegel. The session focused on travel and documentary photography, providing students with insights into professional photography at an international level.

The speaker shared his experiences from working in diverse environments and explained the techniques involved in capturing compelling visual stories. He discussed important aspects such as composition, lighting, storytelling, and capturing authentic moments that convey powerful narratives. His presentation offered students a deeper understanding of how photography can be used as a medium for documenting real-life experiences.

Through engaging discussions and examples from his portfolio, students were inspired to think creatively and approach photography with a more professional and artistic perspective. The session encouraged them to explore photography as both a passion and a potential career path.

Stock Market Workshop – July 11, 2025

A workshop on stock market investing was conducted by Aseiu Putsure, focusing on introducing students to the fundamentals of financial markets. The session aimed to build awareness about investment opportunities and help students understand the basics of trading and wealth creation.

During the workshop, key concepts such as investment strategies, risk management, and market analysis were discussed in a simplified and practical manner. The speaker shared valuable insights into how the stock market functions and how individuals can make informed decisions while investing their money.

The session was interactive, with students actively participating in discussions and asking questions to clarify their doubts. This engagement helped them gain a clearer understanding of financial markets and the importance of financial literacy in today's world.

Overall, the workshop provided practical knowledge and encouraged students to explore the world of investing with awareness, discipline, and careful planning.

Indo-Japan Relations Workshop – July 18, 2025

Students attended a workshop on Indo-Japan Relations supported by the Government of Japan, which aimed to strengthen cultural understanding and highlight global opportunities for students. The session provided valuable insights into the relationship between India and Japan, focusing on areas such as education, employment, and international collaboration.

The resource person, Mr. Tomio Isogai, shared his knowledge on global leadership, work ethics, and the importance of discipline in achieving success in an international environment. He also discussed various career opportunities available in Japan and encouraged students to develop the skills and mindset required to work in a global setting.

The session broadened students' perspectives on international relations and motivated them to explore opportunities beyond national boundaries while maintaining strong professional values and ethics.

Indian Army Motivational Workshop – July 24, 2025

The Indian Army conducted an inspiring and motivational workshop aimed at instilling values of discipline, leadership, and dedication among students. The session focused on the importance of serving the nation with integrity and commitment while building a strong character.

Through motivational talks and real-life experiences, the speakers highlighted the qualities required to join and succeed in the armed forces, including courage, teamwork, and perseverance. The session also emphasized the significance of physical fitness, mental strength, and a strong sense of responsibility.

Students were encouraged to consider careers in defense services and to develop a sense of patriotism and service toward society. The workshop inspired them to adopt a disciplined lifestyle and work towards becoming responsible and capable individuals.

Soft Skill Development Seminar – September 9, 2025

A seminar on Soft Skill Development was conducted by Ms. Monica Donegan, Founder and Chief Visionary Officer of the National Institute of Learning and Development Services. The session focused on equipping students with essential skills required for professional growth and employability.

The speaker emphasized the importance of communication skills, leadership qualities, teamwork, and emotional intelligence in achieving success in any career. She also highlighted how soft skills play a crucial role in building confidence, improving workplace interactions, and enhancing overall personality development.

Through her expert guidance, students gained a deeper understanding of how to present themselves professionally and adapt to different work environments. The session also included practical advice on job readiness and career preparation, helping students align their skills with industry expectations.

The seminar proved to be highly informative and beneficial, encouraging students to focus on holistic development alongside academic achievements.

Interactive Session with Foreign Guest Faculty – September 29, 2025

A highly engaging and insightful interactive session was conducted with foreign guest faculty, Ms. Serena Wiig. The session provided students with a unique opportunity to engage in an open conversation that went beyond academic learning, covering topics related to personal growth, global exposure, and self-development.

The session followed a question-and-answer format, allowing students from the 1st, 3rd, and 5th semesters to actively participate and interact with the guest faculty. Students asked thoughtful and meaningful questions, which led to an enriching exchange of ideas and perspectives. Ms. Wiig shared her experiences and offered valuable guidance on both academic and personal aspects of student life.

The discussion helped students gain a broader outlook on global education systems, cultural understanding, and personal development. It encouraged them to think critically, embrace new perspectives, and develop a more open-minded approach toward learning and life.

The session proved to be a valuable experience, fostering meaningful interaction and inspiring students to continue seeking knowledge beyond traditional classroom boundaries.

Young Talk Session on Digital Marketing – October 24, 2025

The college was delighted to host Miss Nzanrhoni Humtsoe, Creative Director and Co-founder of Brief&Co Marketing Agency, for its first-ever Young Talk session. The program was designed to introduce students to the dynamic field of digital marketing and its growing relevance in today's digital age.

During her engaging presentation, Miss Humtsoe shared her professional journey and provided valuable insights into the workings of the digital marketing industry. She discussed various aspects such as branding, content creation, and marketing strategies, giving students a clear understanding of how businesses build their online presence and reach their target audience.

The session was followed by an interactive workshop and a question-and-answer segment, where students actively participated and clarified their doubts. This interaction helped deepen their understanding of practical digital marketing applications and the skills required to succeed in the field. The session proved to be highly informative and inspiring, exposing students to new career possibilities in the field of marketing and encouraging them to explore creative and digital career paths.

Model United Nations (MUN) Workshop by NEIMUN – October 24–26, 2025

Students participated in an enriching and insightful workshop conducted by the NEIMUN team, which introduced them to the concept and functioning of Model United Nations (MUN). The program aimed to enhance students' understanding of global issues and promote awareness of international relations and diplomacy.

Throughout the three-day session, students engaged in thought-provoking discussions and debates on pressing global and political issues. The interactive format encouraged them to analyze different perspectives, articulate their opinions, and develop critical thinking and public speaking skills. Various activities were also conducted to make the learning experience more engaging and participatory.

The NEIMUN team also introduced their structured MUN program, highlighting it as a platform for students to develop leadership qualities, communication skills, and a deeper understanding of global affairs. The session provided opportunities for students to collaborate, exchange ideas, and connect with peers who share similar interests.

The workshop proved to be a highly motivating and intellectually stimulating experience, inspiring students to become more aware of global challenges and encouraging them to actively participate in discussions that contribute to meaningful change.
