

NORMAN PUTSURE COLLEGE

CHUMOUKEDIMA : NAGALAND

Best Practices

U.S Scholarship

Akruzo Putsure Achievement Award (Full Scholarship Program)

Goal

The primary goal of the Akruzo Putsure Achievement Award is to promote academic excellence and inclusivity by providing a deserving student with full financial support for their entire three-year degree program. This initiative aims to remove financial barriers and ensure that meritorious students can pursue higher education without economic constraints.

Context

The College has instituted the Akruzo Putsure Achievement Award, a fully funded scholarship program awarded annually to one outstanding student. This award covers all academic expenses, including tuition fees, for the complete duration of the undergraduate program. By doing so, the college ensures equitable access to education and fosters a culture of meritocracy and encouragement for academic excellence.

Evidence of Success

LALLOLE MEDO
(Alumni Batch 2025)

VELHUKHO VENYO
(6th Semester, English Department)

BONBON NEWMAI
(4th Semester, Sociology Department)

NUTOLU KEYHO
(2nd Semester, History Department)

Internships

Goal

The goal of the internship program is to enhance students practical knowledge, employability skills, and industry readiness by providing them with meaningful exposure aligned with their academic interests and career aspirations.

Context

Recognizing the importance of experiential learning, the College actively facilitates internships for students across various disciplines. The college collaborates with relevant organizations and identifies internship opportunities based on students individual interests and academic backgrounds. This structured approach ensures that students gain real-world experience, develop professional skills, and build networks within their chosen fields. The internship program bridges the gap between academic learning and industry expectations, preparing students for future career opportunities.

Evidence of Success

Student Work Opportunities

(Campus-Based Part-Time Jobs)

Goal

The goal of providing part-time job opportunities is to support students financially while simultaneously fostering responsibility, time management, and work ethic.

Context

The College offers on-campus employment opportunities in areas such as the cafeteria, campus and library. These part-time roles allow students to earn while they learn. In addition to financial benefits, these jobs instill a sense of discipline, teamwork, and accountability. By integrating work opportunities within the campus, the college creates a supportive environment that encourages self-reliance and practical skill development among students.
